The Class of 2018

Stellar Seniors

Class Officers

President: Victoria Feazelle

Vice President: Earl Hass

Treasurer: Cooper Grafe

Secretary: Mattie Robin

4 years. 60 months. 144 weeks. 720 days. 17,280 hours. 1,036,800 minutes. 62,208,000 seconds. Surprisingly these numbers all equal the same thing; our time spent in the place where we have made so many memories that we will cherish throughout our lifetimes. Hancock High School has been our home away from home for the last four years. Each year, we enter HHS with bigger hopes and aspirations. We desire a year that will impact our lives for the better, that is filled with valuable memories with friends, and that also excels us academically. Each month we prepare ourselves for exciting events like sports, homecoming, prom, and even the ACT. Never Realizing that soon these anticipated times may never occur again for us. Each Week, we prepare ourselves to shine as a student in all of our classes during a long week. Everyday, we wake up with a positive attitude and strive to improve as not only a student, but also as a person. As our countdown to graduation turns from months, to weeks, to days, to hours, to minutes, even to seconds; we forget that the fun times we are having now will soon be nothing but a memory. What was once our "Flawless Freshman" year is now remembered as the year when we realized we are not meant to be flawless. We made mistakes in a the new world which we found ourselves in, but we never failed to prove our optimism and determination. "Showstopping Sopmore" year had everyone watching. They knew we were stars from the start. As soon as we waltzed through the doors of the commons, they knew we were basically the A-listers of Hancock High School. Next, the "Jazzy Juniors" no doubt stole the show. Not quite sure if it was because of our "Stellar" attendance, or the fact that we dominated homecoming week (we won State!) but I can say we sure put on a jaw-dropping performance. Now, here we are, the "Stellar Seniors." Words cannot describe our last year together. The knowledge that we are together as a family for the last time is bitter-sweet. I know that all of us will not only succeed, but will exceed in on of the four E's: Employment, Enrolment, Enlisting, or Entrepreneurship. As we walk away from this second home, I hope we are able to remember everything; the good, the great, and even the bad. I hope you take every moment in the hallways, classrooms, commons, cafeteria, and gym as an opportunity to grow and remember how every one of us has stuck with one another through thick and thin. We all have something in this world we are meant to impact, whether it be a person, a place, or even the world; we are designed for great things. We walked into HHS with faith and hope, knowing this place was a brand new beginning. Now we are leaving with new hopes for our upcoming endeavors. It may be difficult, but there is no doubt that new limitless possibilities are waiting just outside these doors. Don't be concerned about being flawless. Know that we are all going to be show stoppers in whatever we pursue in life. Remember that with a jazzy attitude, anything is possible. Now lets go and make the rest of our lives stellar. Much love for Hancock High School's Class of 2018. Thank you for making my high school experience unforgettable. We truly showed that a class can leave far much more than just their mark, but that they can also leave an everlasting love for their home.

♣ JACKPOT JUNIORS ♥

Class Officers

President - Justin Childs
 Vice President - Davis Shannon
 Secretary - Kearsten Shaw
 Treasurer - Brianna Mitchell
 Prom Chair - Claudia Perret

As this school year comes to a close, we are realizing the four letter word "last" will have a bigger meaning than we thought. We will understand that we have to start planning for what's coming next, and that we are not just passing through. Our legacy and our mark will not just stay in our painted hand prints on the walls, but in the lives of all students, teachers, and faculty we've touched throughout our three years at Hancock High School. We are a class of extremely intelligent, resilient, artistic, unique, and record-setting Hawks. So let's continue to rise above. Fresh and Furious Freshmen, Super Sophomores, and now Jackpot Juniors; it is our time and we are all in.

Surfing Sophomores

When people say the word sophomore, they visualize underclassmen or just 10th grade students. I think of it as a halfway mark for our high school careers. I know that the outstanding class of 2020 has far to go and much more to experience, but nothing lasts forever. From the first day of school to the last, there was never a dull moment in our sophomore class. We will remember these years for the rest of our lives, so make that every moment counts. I couldn't have asked for a better group of people to share my 10th grade experience with and that's why I'm so thankful for our class of 2020.

FANTASMIC FRESHMEN

CLASS OFFICERS

President- Gracie Frank
 Vice President- Jacey Garriga
 Secretary- Ella Nolan
 Treasurer- Mikayla Smith

As we look back on this year as freshman, we remember coming into this new school with new people and different ways. We remember having to learn our way around campus. Most importantly, we remember standing scared and anxious to even walk through the school. Now that our freshman year has come to an end, I think we can all agree we have made it the best year possible. We have learned to succeed with knowledge, accomplish goals, and most importantly how to be better as a whole. We have grown not only as a class but also as individuals. I believe that we will now walk into our upcoming sophomore with more pride and a better perspective of high school life. It's unbelievable how fast time flew by this year, but also it is crazy how much fun we have had. I think we can say that the class of 2021 has not only made this a memorable year, but also one for the books.

I hope the days come easy
and the moments pass slow
And each road leads you where you want to go
And if you're faced with a choice,
and you have to choose
I hope you choose the one
that means the most to you
And if one door opens to another door closed
I hope you keep on walkin'
till you find the window
If it's cold outside, show the world
the warmth of your smile

My wish, for you, is that this life becomes
all that you want to it
Your dreams stay big, your worries stay small
You never need to carry more than you can hold
and while you're out there
getting where you're getting to

I hope you know somebody loves you,
and wants the same things too
I hope you never look back, but you never forget
All the ones who love you, in the place you left
I hope you always forgive, and you never regret
And you help somebody every chance you get
I hope you find God's grace, in every mistake
And always give more than you take

I am so proud of you and can't wait to see what
mountains you climb.
